

Precision Positioning

Mini-Exhibition / Show & Tell

15th March 2016

10am - 4pm

AM

Seminar Room – Mountbatten Building

Lunch-time & PM

Physics building foyer

PI (Physik Instrumente) Ltd

PI will be displaying a range of precision positioning technologies, solutions designed for all high-tech requirements.

- Nano & Micro Positioning
- Piezo Systems
- Piezo Ceramic Components
- Beam Steering
- Stages & Actuators
- Hexapods
- Motion Controllers
- Capacitive Sensors
