

Nature Photonics... ten years on

Oliver Graydon, Chief Editor
Nature Photonics

Abstract

In January 2017, Nature Photonics will celebrate its 10th anniversary.

This talk will discuss how the journal and publishing landscape has evolved over the past decade since launch and various new initiatives being introduced at the Nature Publishing Group.

All staff and students are invited to attend. The lecture will be held 14:00-15:00 and will be followed by refreshments and an opportunity for networking.
